

**Figure 1- figure supplement 1.**

**Distribution of *TP53* somatic mutations across multiple tumor types based on TCGA and MSKCC data set analysis.**

A. Pie chart shows distribution of indicated somatic mutations in *TP53* based on TCGA data. For more information, see supplementary file 1.

B. Pie chart shows distribution of indicated somatic mutations in *TP53* based on MSK-IMPACT data (Cheng et al., 2015).
