

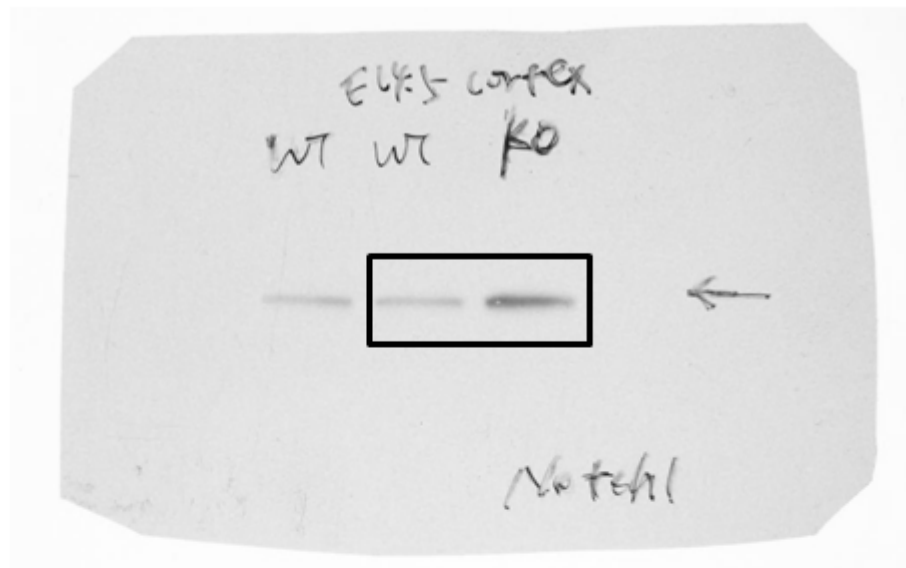

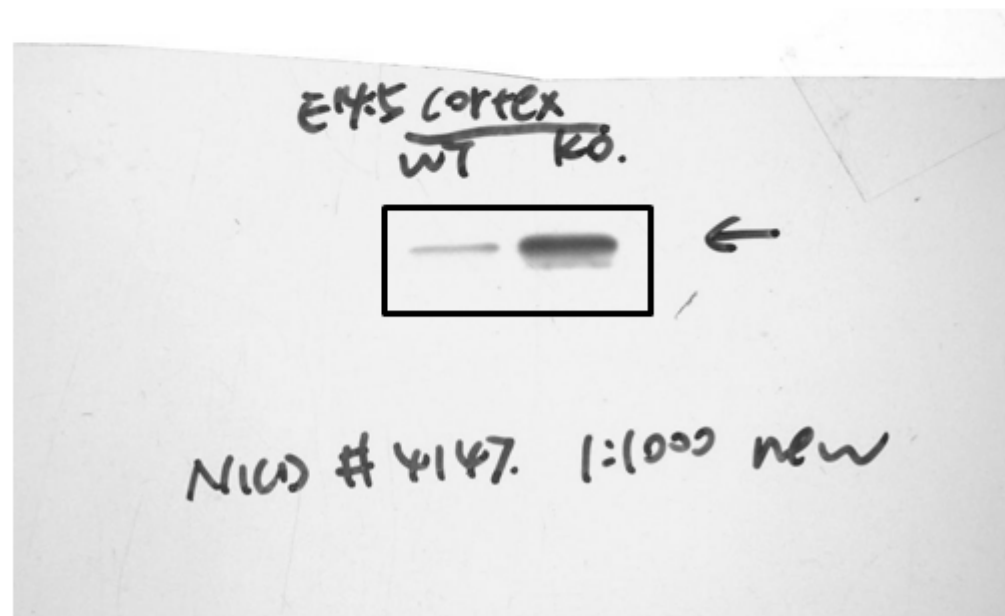

Figure 3A-source data 1

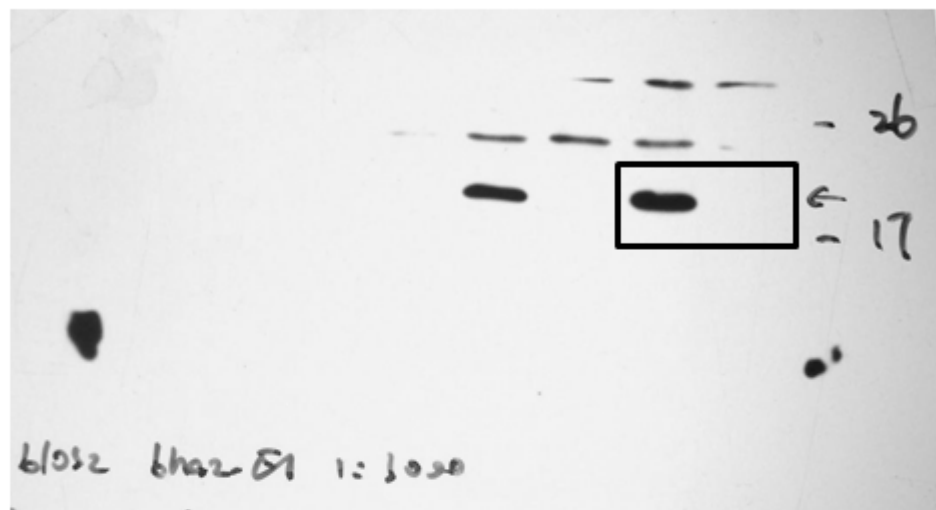

The black box shows the bands of Notch1 (NTM).

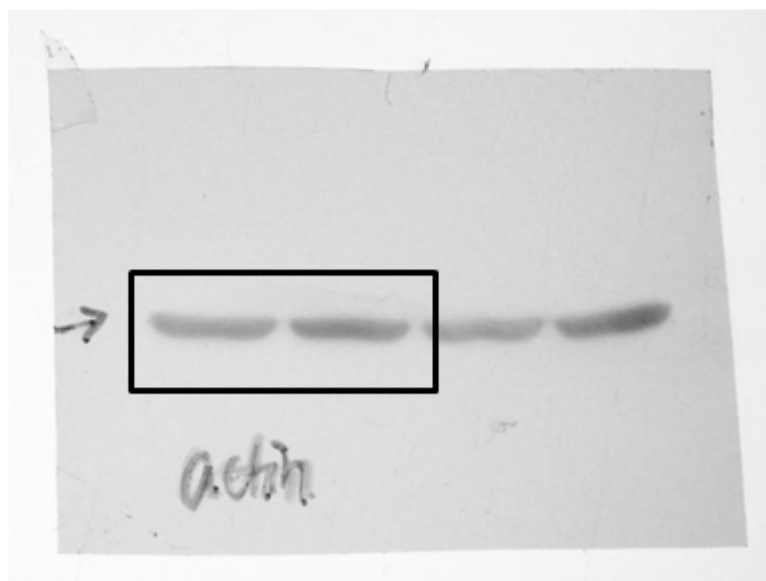

The black box shows the bands of NICD1.

Figure 3A-source data 2

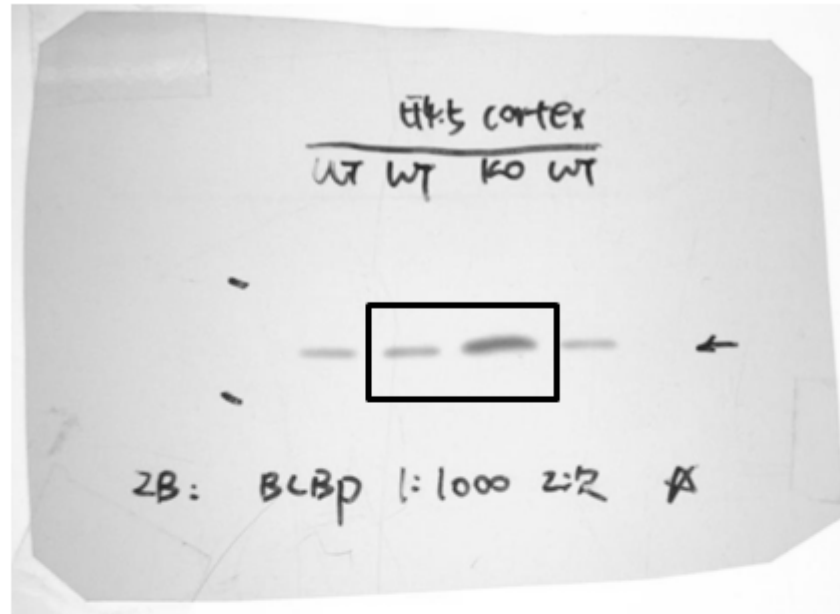

The black box shows the bands of BLOS2.

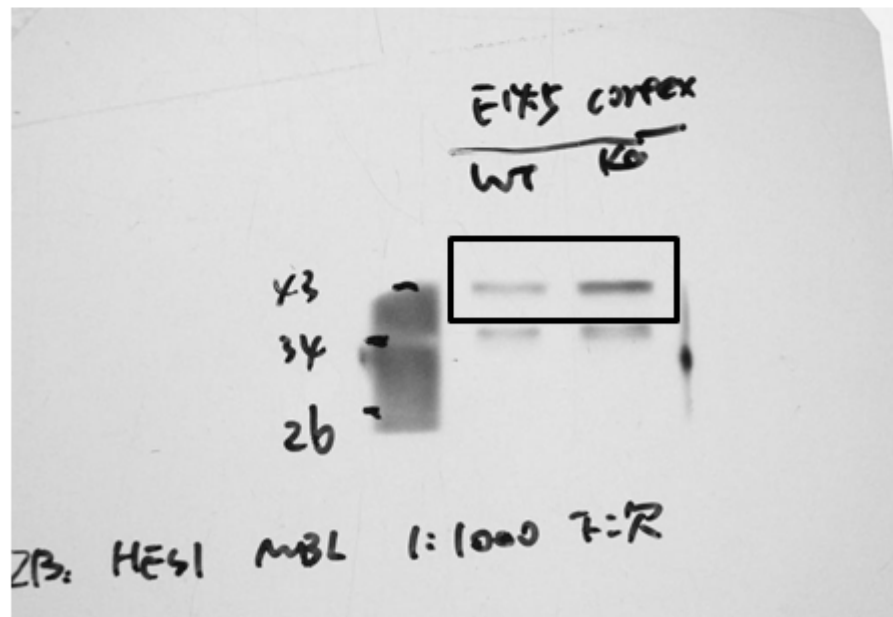

The black box shows the bands of β -actin.

Figure 3H-source data 1

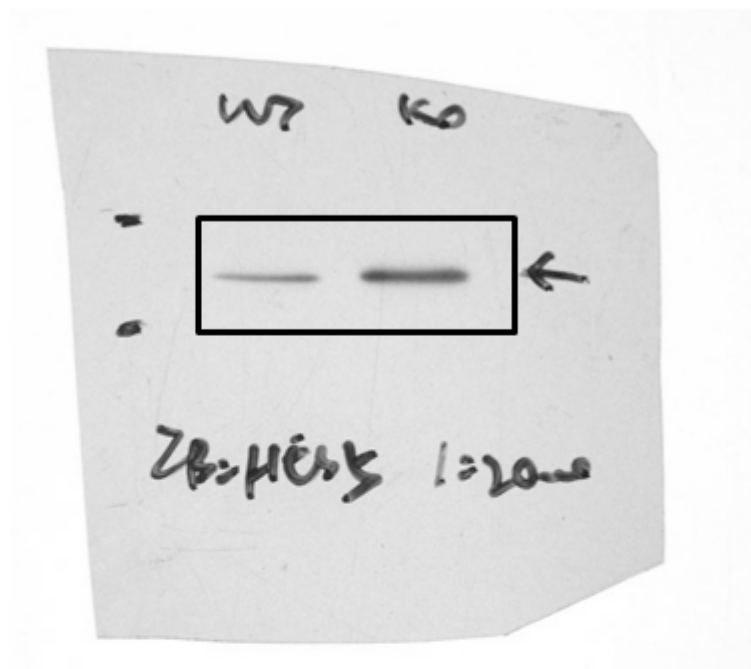

The black box shows the bands of Fabp7.

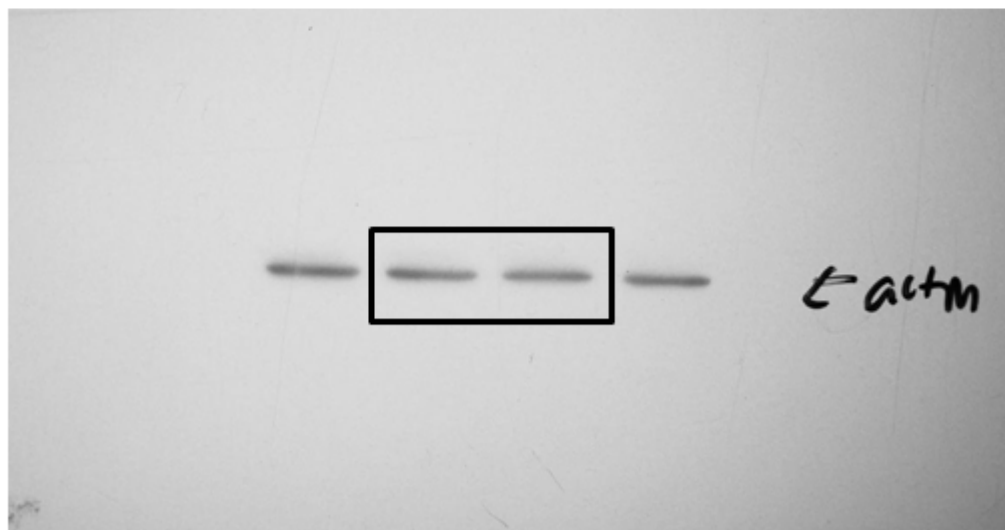

The black box shows the bands of Hes1.

Figure 3H-source data 2

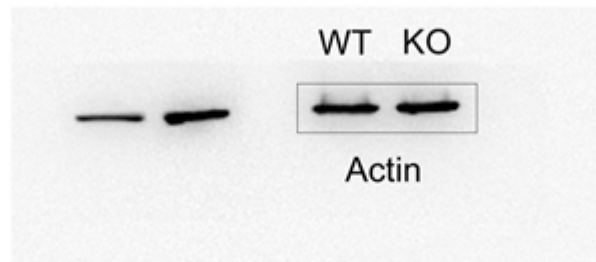

The black box shows the bands of Hes5.

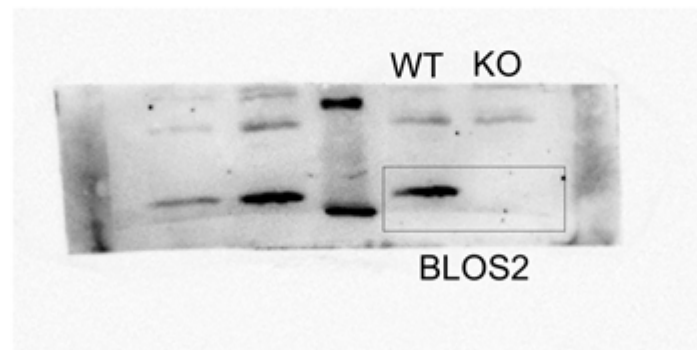

The black box shows the bands of β -actin.

Figure 4A-source data 1

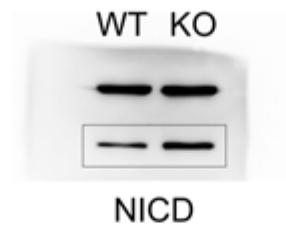

The black box shows the bands of Actin .

The black box shows the bands of BLOS2.

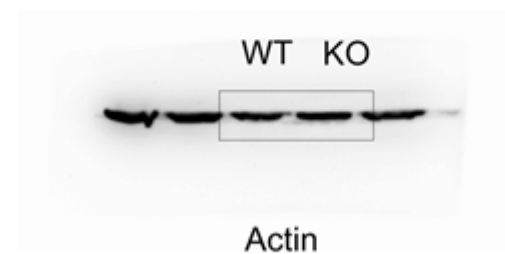

Figure 4G-source data 1

The black box shows the bands of NICD.

The black box shows the bands of Notch1.

The black box shows the bands of Actin.

Figure 5C-source data 1

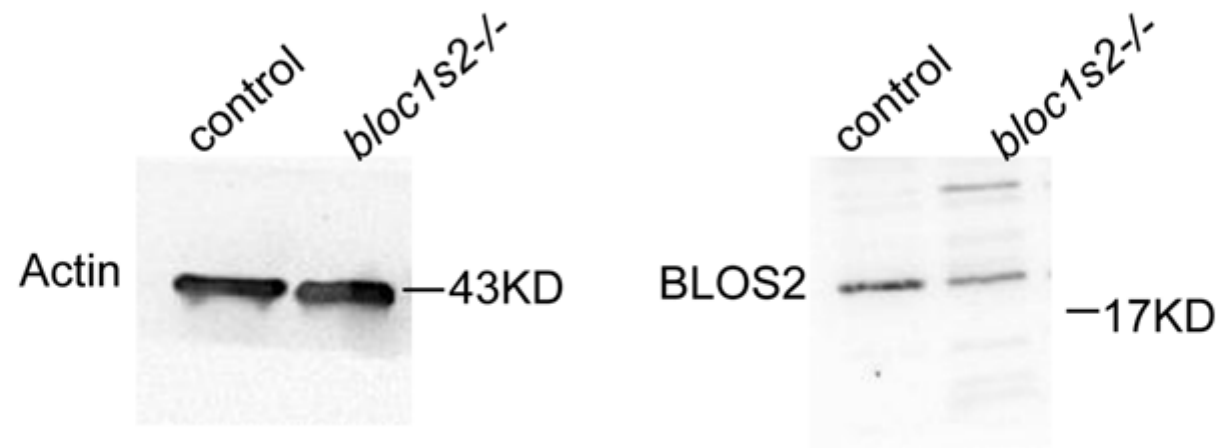

Figure 5D-source data 1

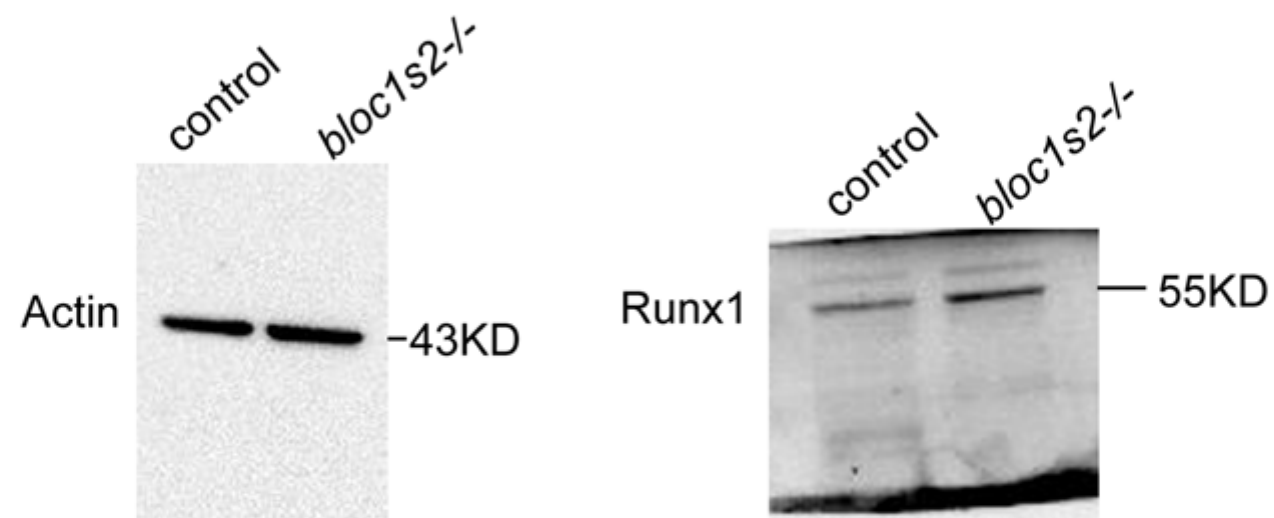

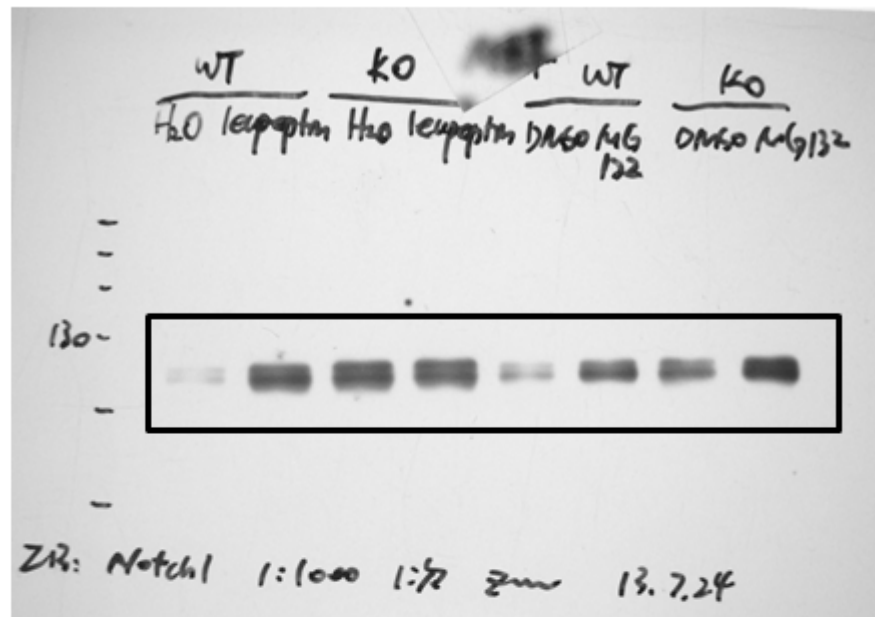

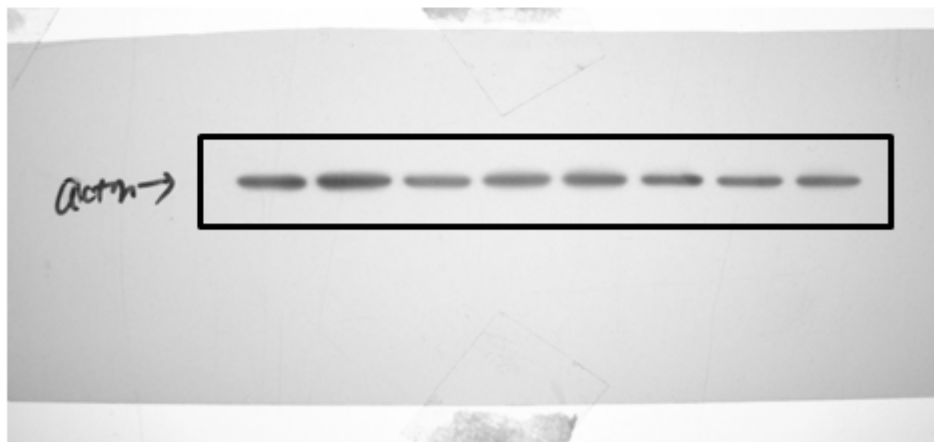

Figure 6B-source data 1

The black box shows the bands of Notch1 (NTM).

The black box shows the bands of β -actin.

Figure 6E-source data 1

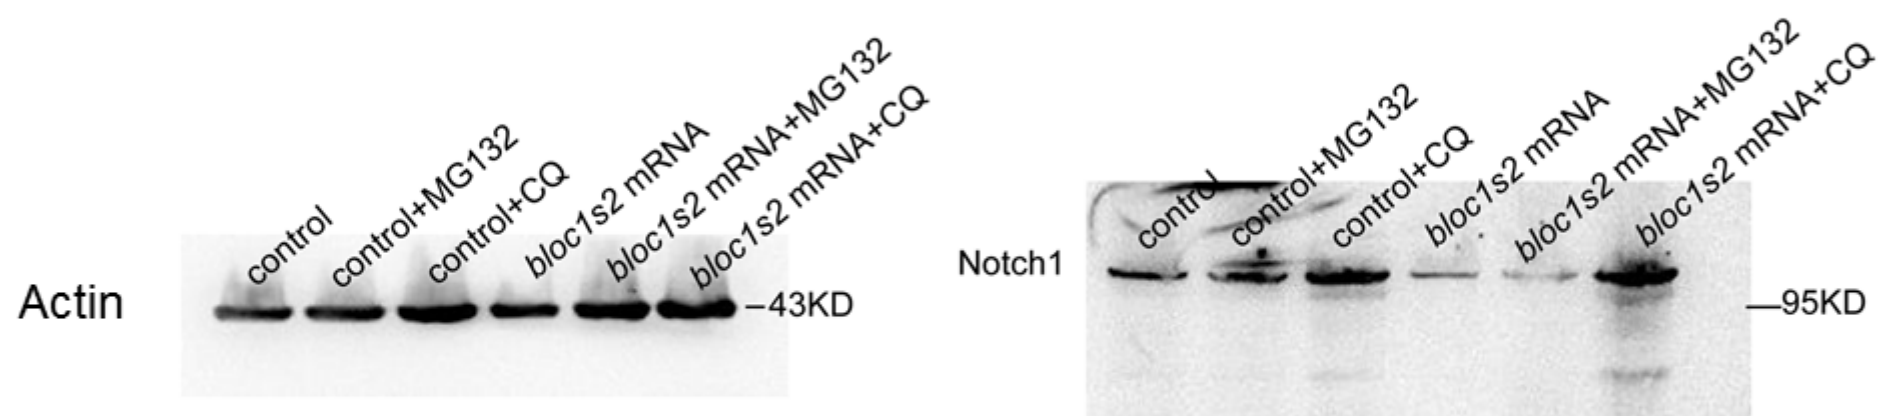

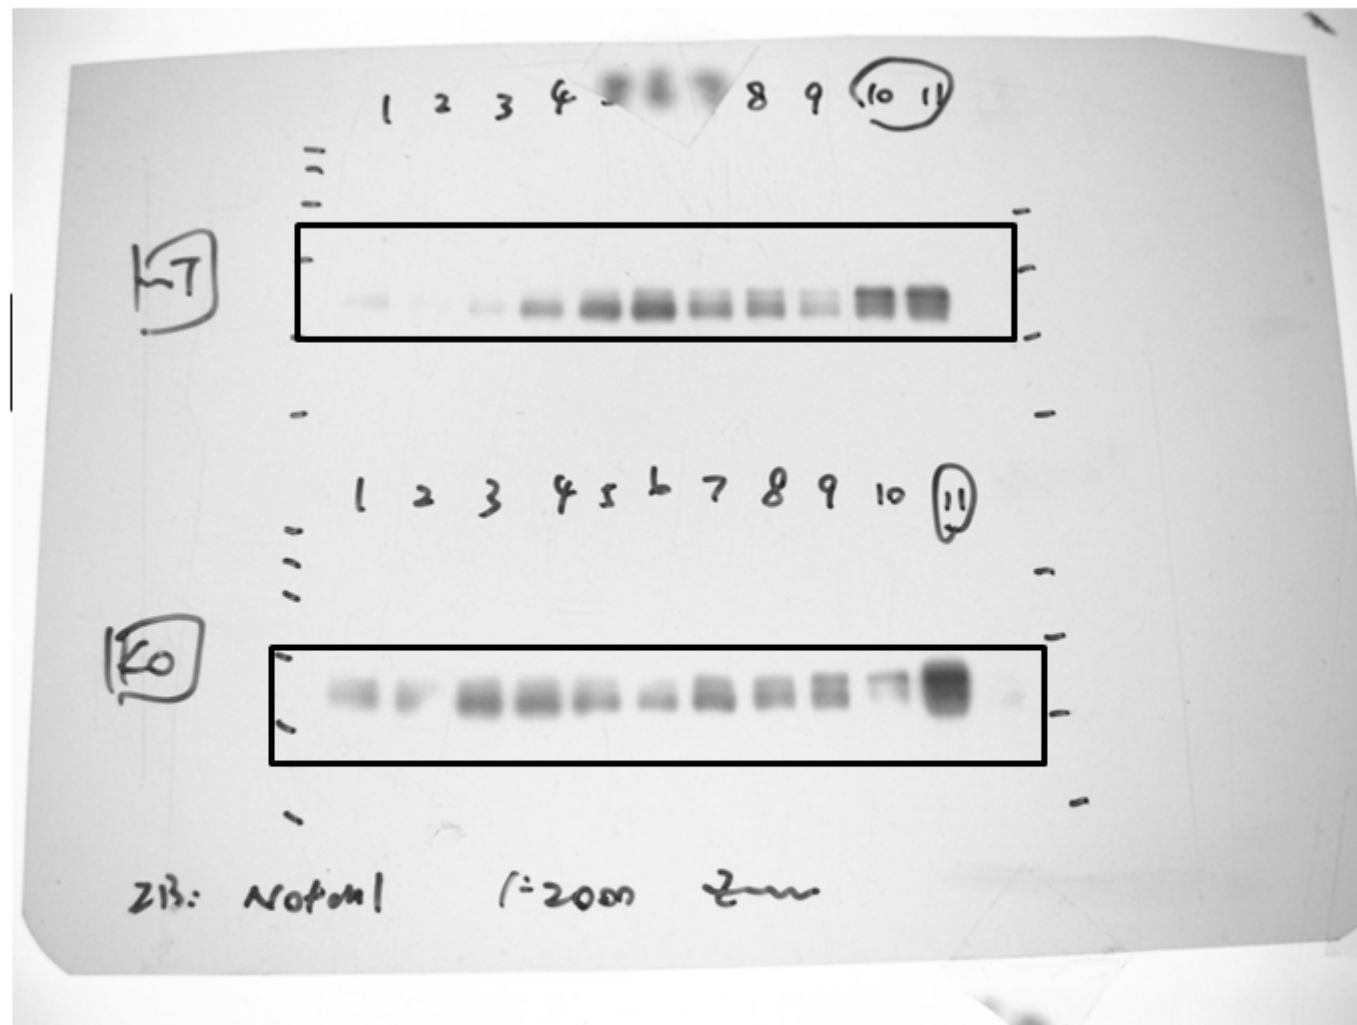

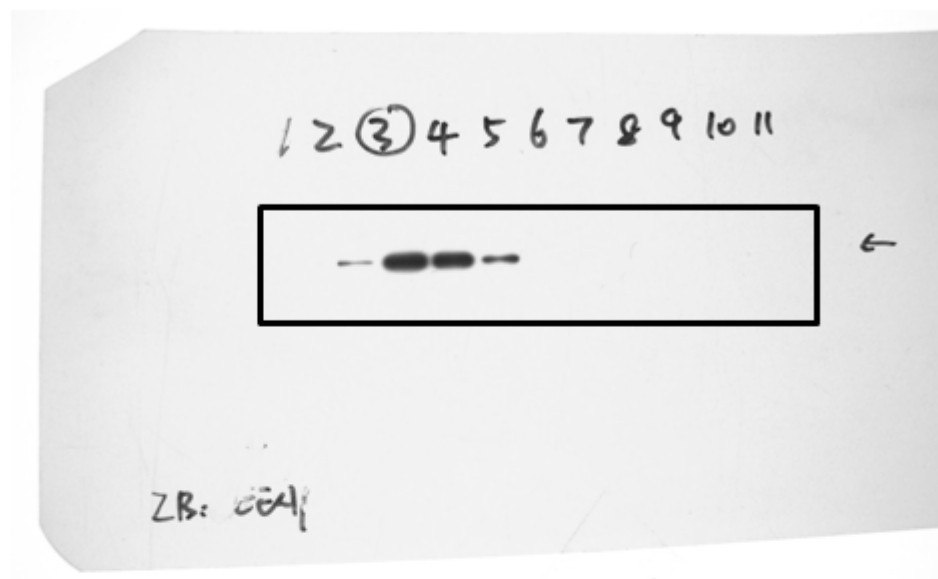

Figure 7A-source data 1

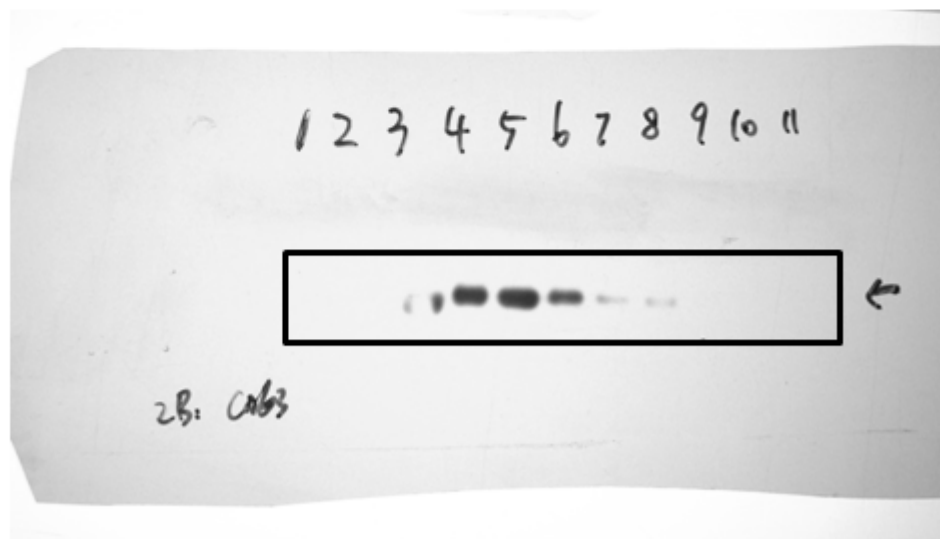

The black box shows the bands of Notch1 (NTM).

Figure 7A-source data 2

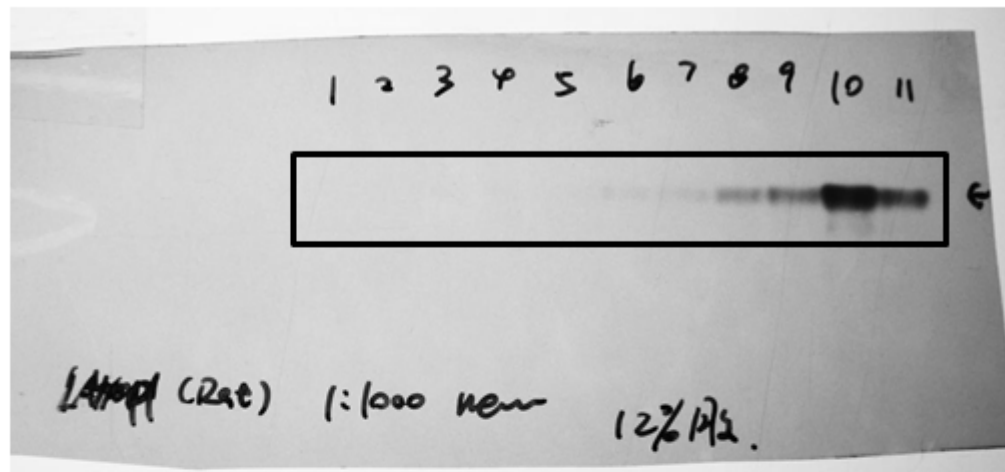

The black box shows the bands of EEA1.

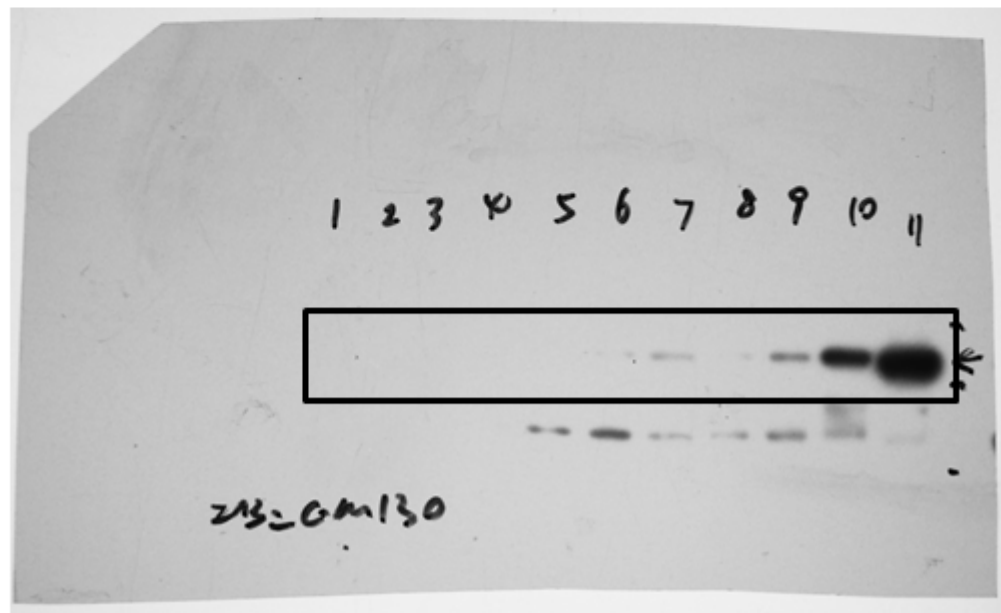

The black box shows the bands of CD63.

Figure 7A-source data 3

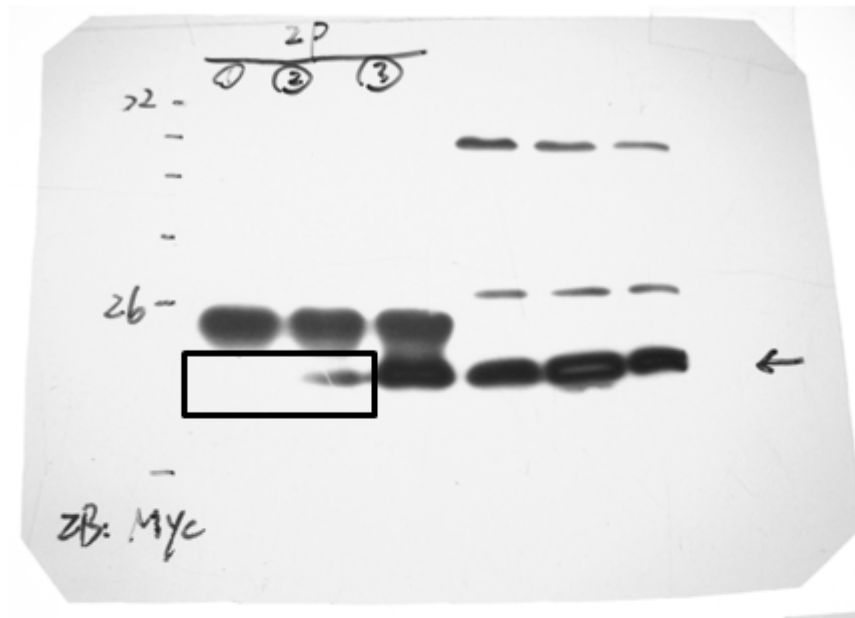

The black box shows the bands of LAMP1.

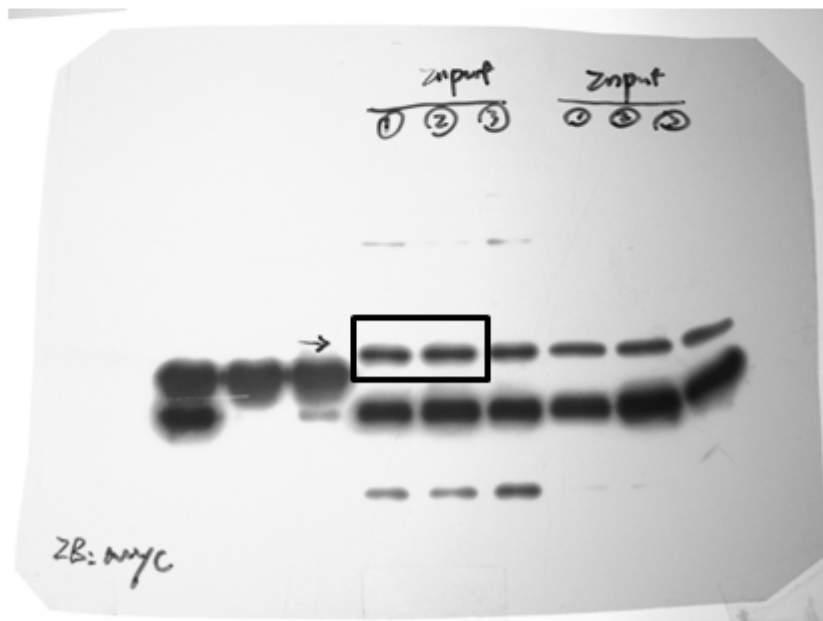

The black box shows the bands of GM130.

Figure 8A-source data 1

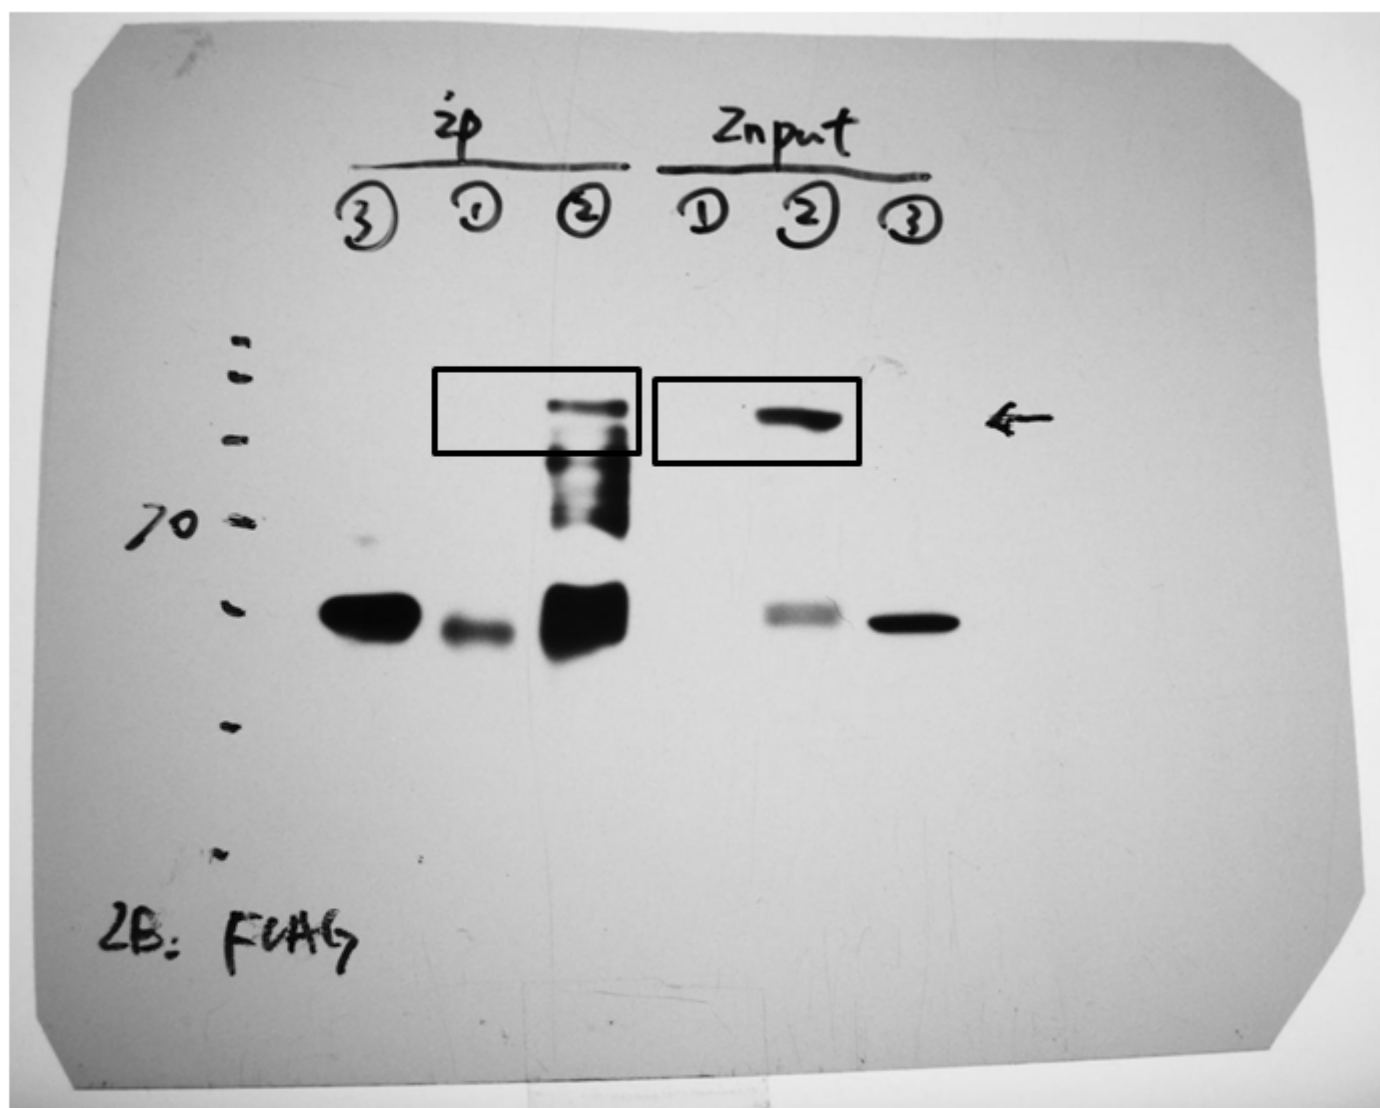

The black box shows the bands of Myc (IP).

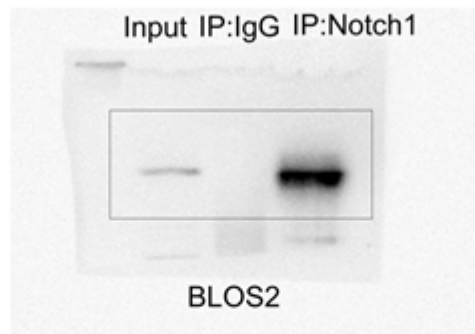

The black box shows the bands of Myc (input).

Figure 8A-source data 2

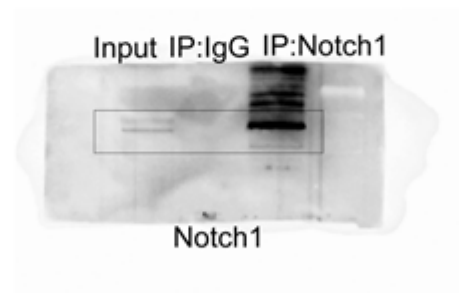

The left black box shows the bands of Flag (IP) and the right black box shows the bands of Flag (input) .

Figure 8B-source data 1

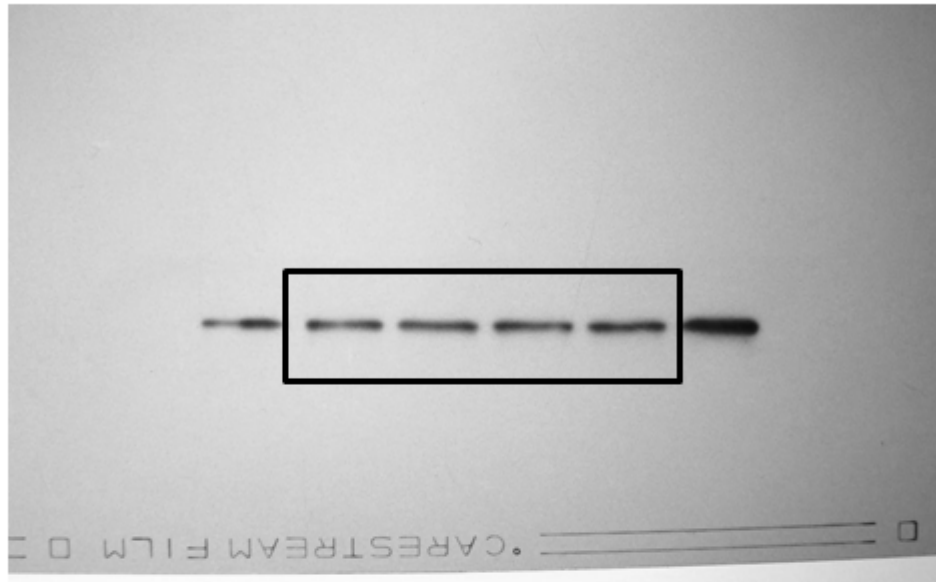

The black box shows the bands of BLOS2.

The black box shows the bands of Notch1.

Figure 8D-source data 1

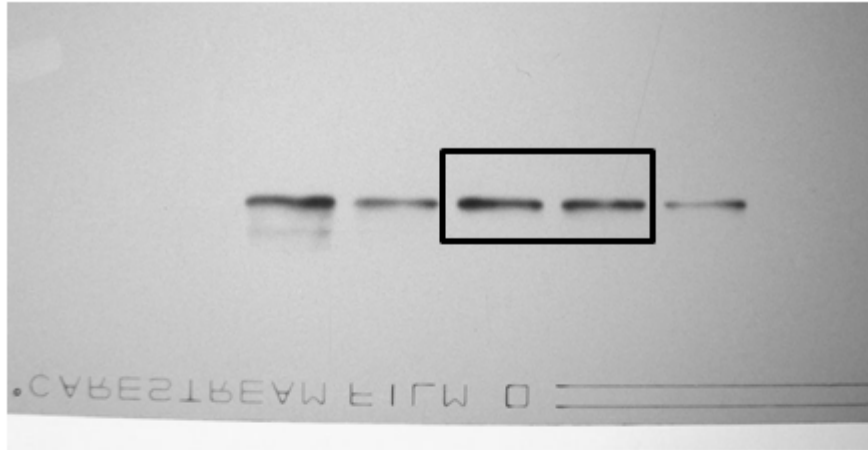

The black box shows the bands of Notch1 (NTM).

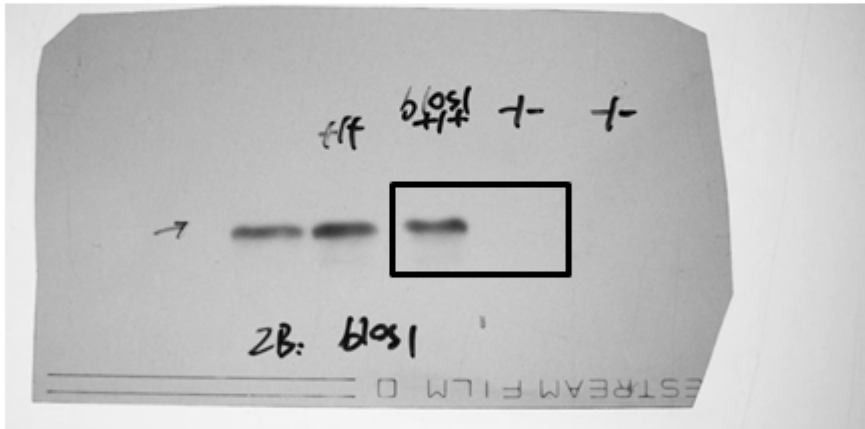

The black box shows the bands of β -actin.

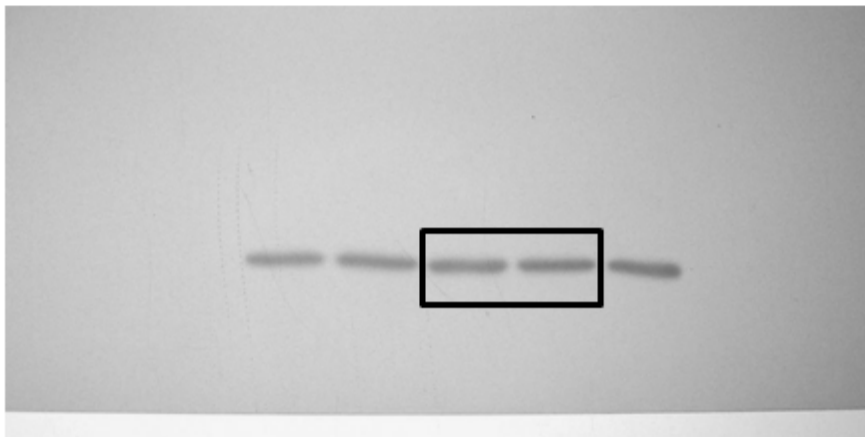

Figure 8F-source data 1

The black box shows the bands of Notch1 (NTM).

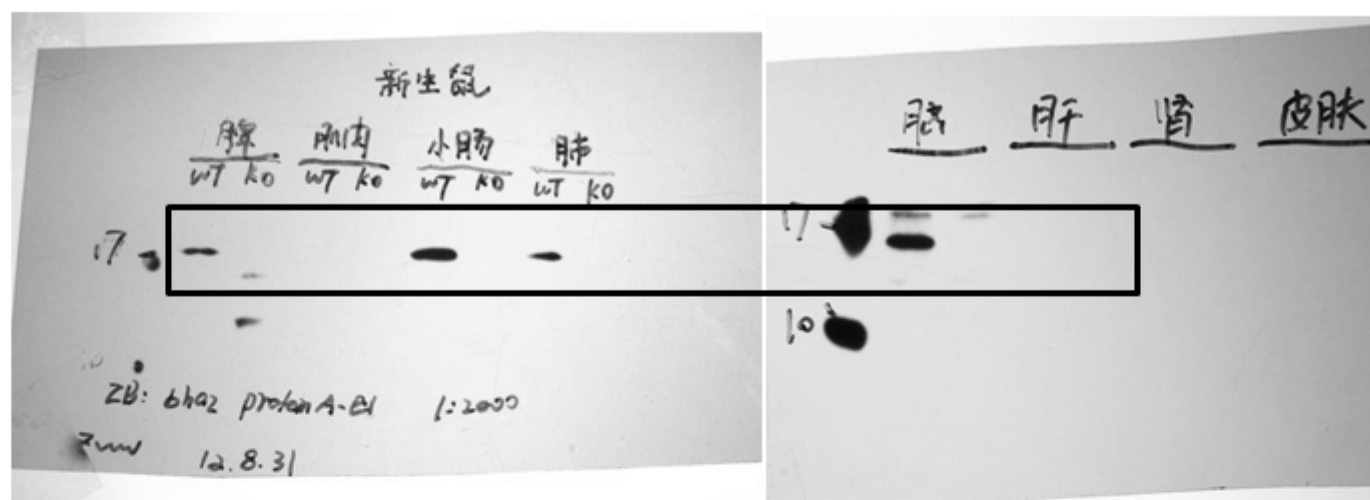

The black box shows the bands of BLOS1.

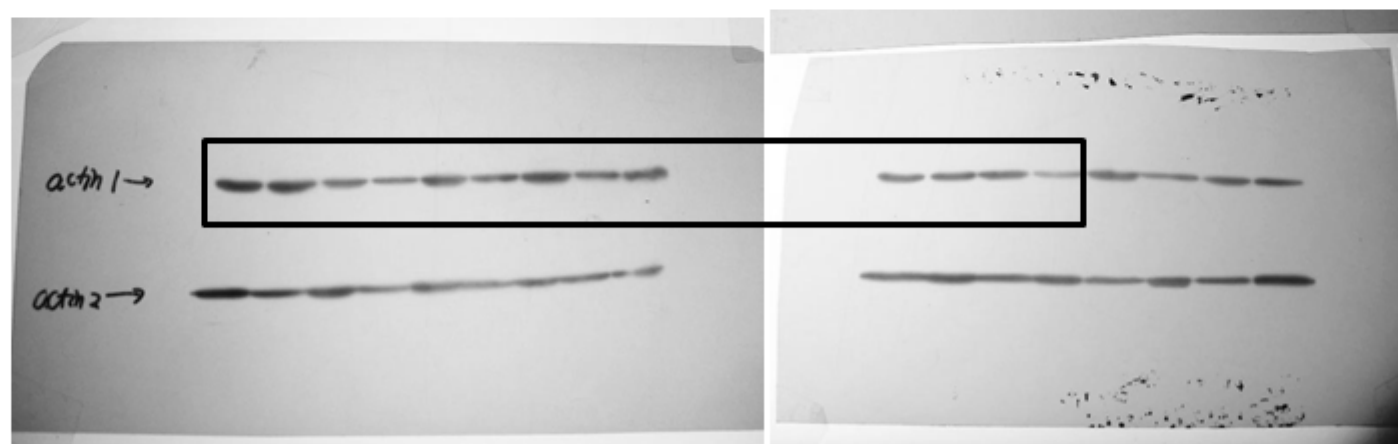

The black box shows the bands of β -actin.

Figure 1-figure supplement 1C-source data 1

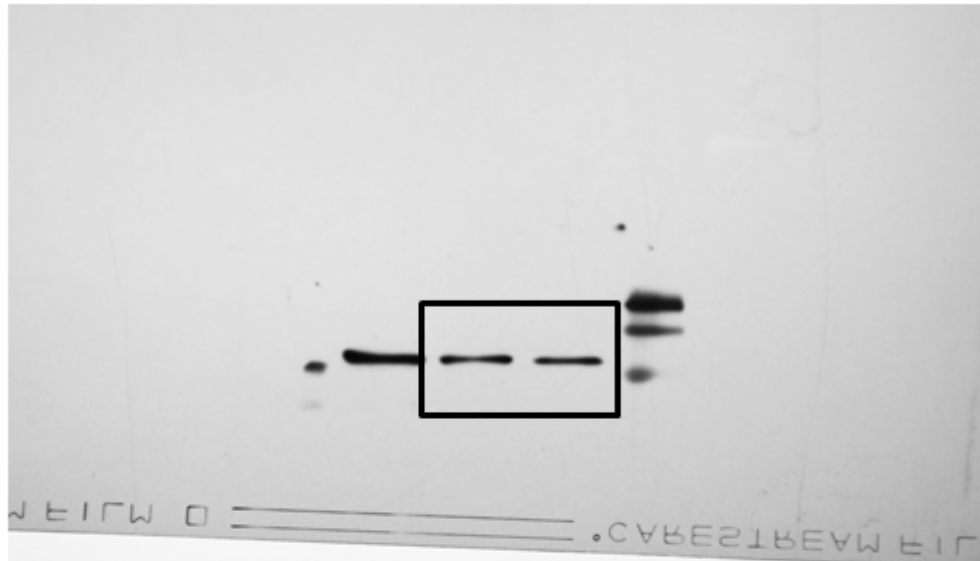

The black box shows the bands of BLOS2.

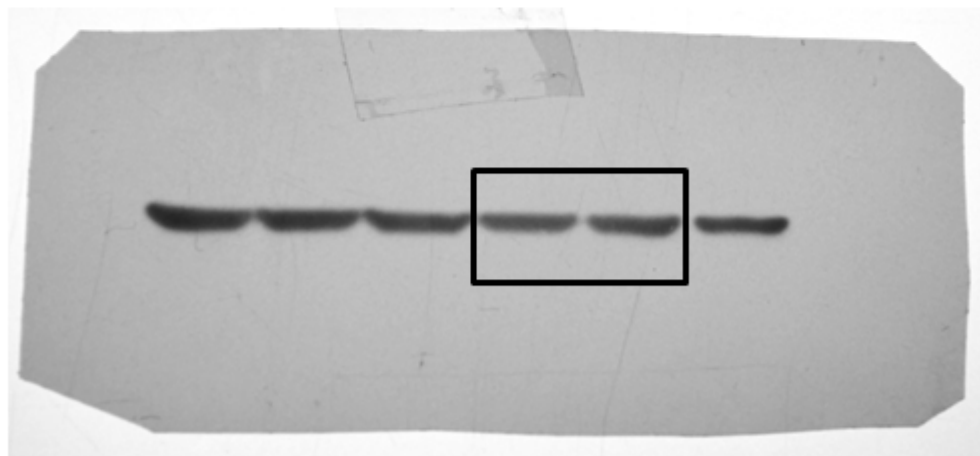

The black box shows the bands of β -actin.

Figure 3-figure supplement 1B-source data 1

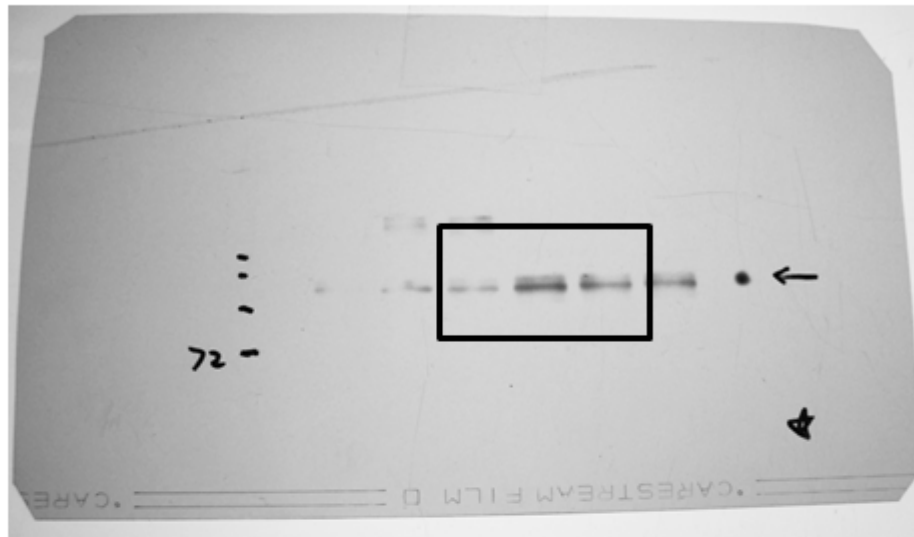

The black box shows the bands of Jagged1.

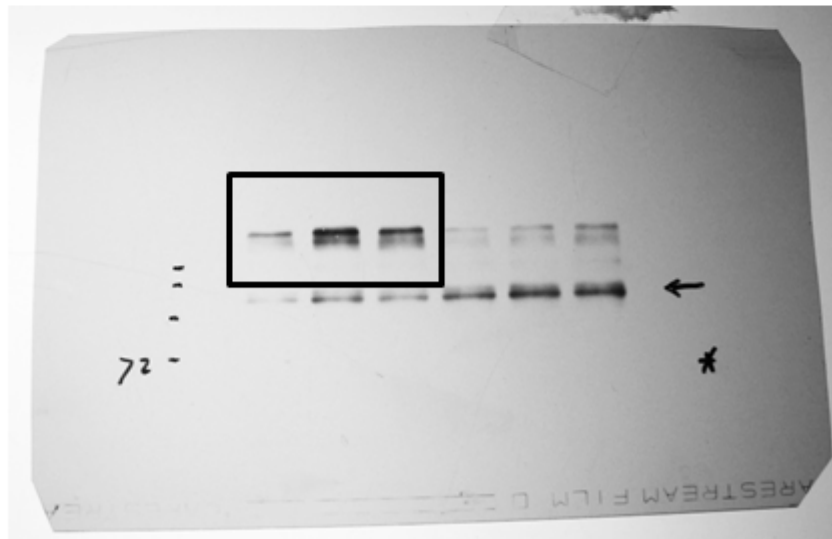

The black box shows the bands of β -actin.

Figure 3-figure supplement 1G-source data 1

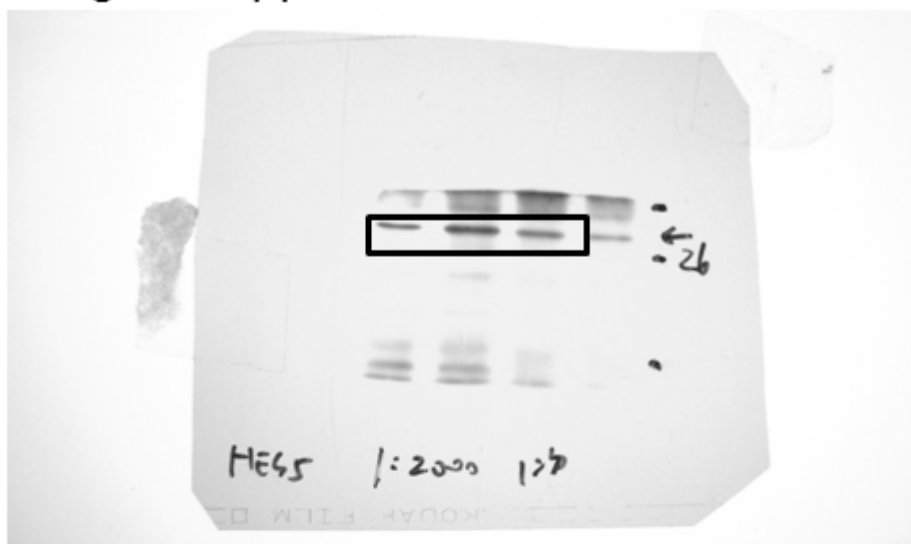

The black box shows the bands of Notch1 (NTM).

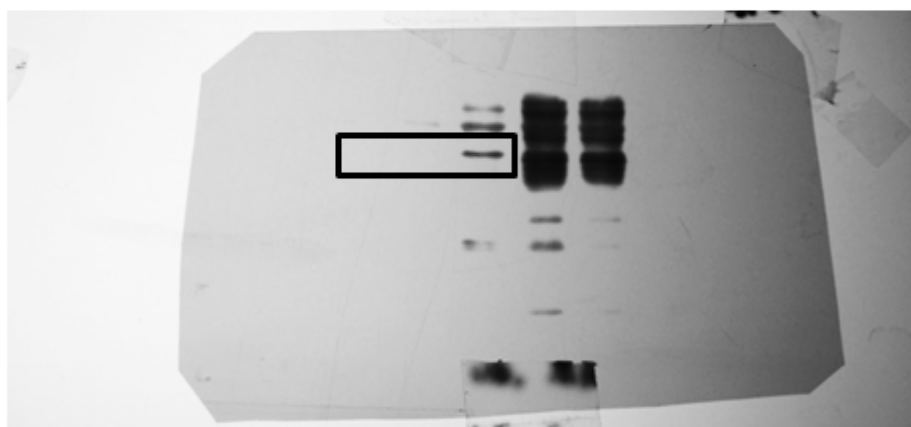

The black box shows the bands of NICD1.

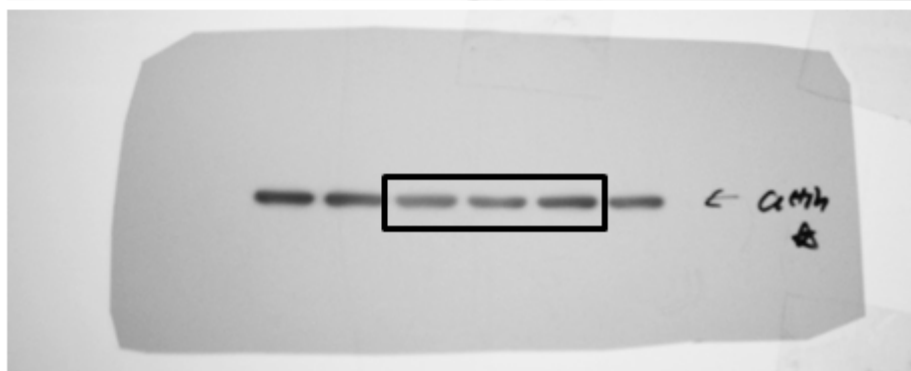

Figure 3-figure supplement 1G-source data 2

The black box shows the bands of Hes5.

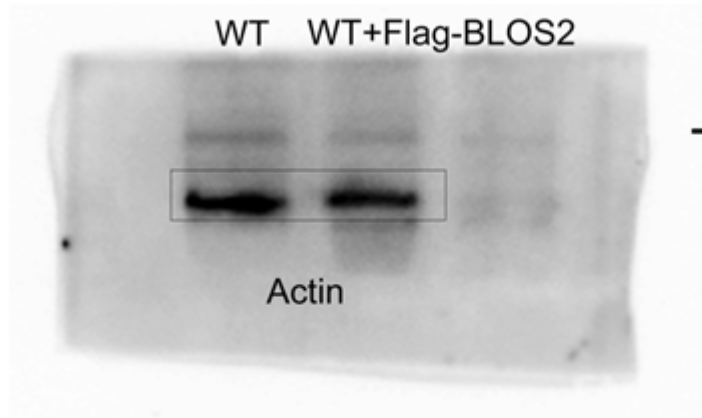

The black box shows the bands of Flag-BLOS2.

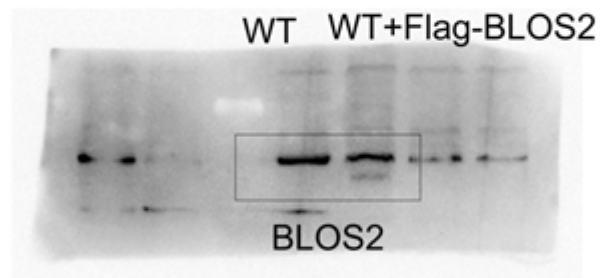

The black box shows the bands of β -actin.

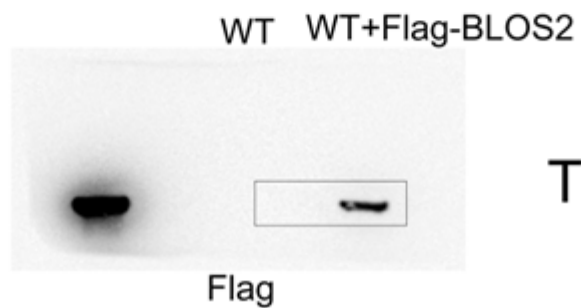

Figure 3-figure supplement 2A-source data 1

The black box shows the bands of Actin.

The black box shows the bands of BLOS2.

The black box shows the bands of Flag.

Figure 5-figure supplement 2D-source data 1

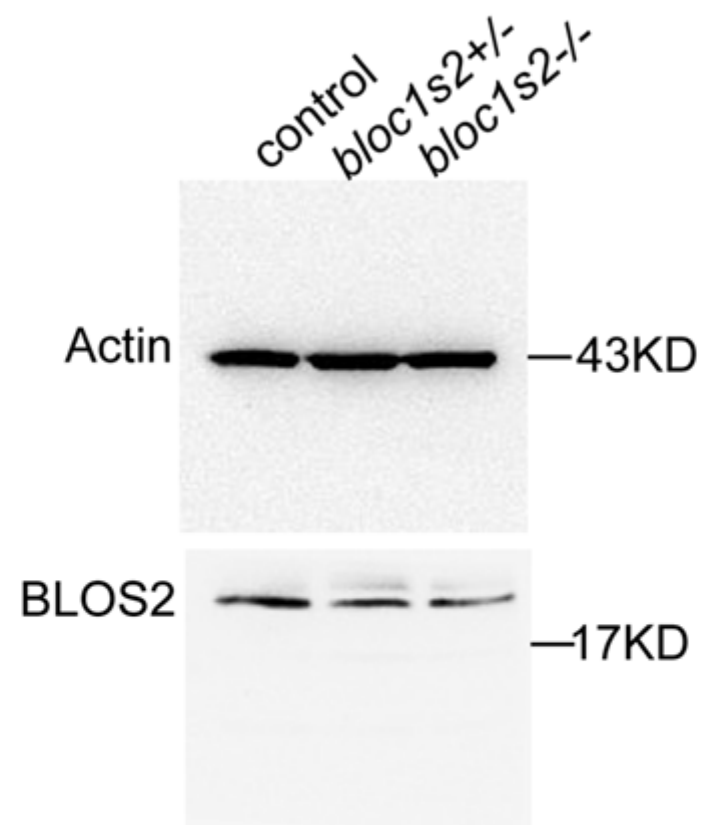

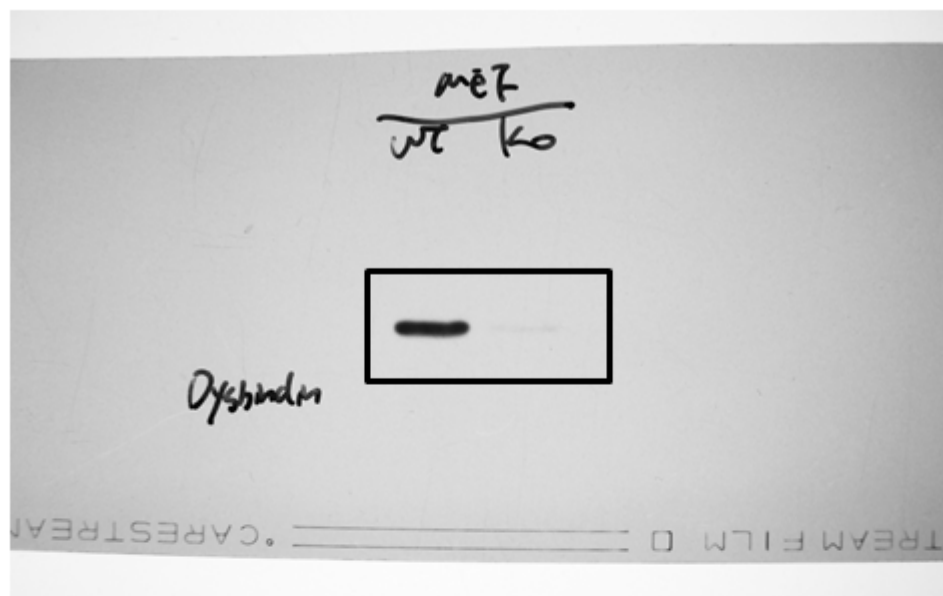

Figure 5-figure supplement 3C-source data 1

Figure 8-figure supplement 1A-source data 1

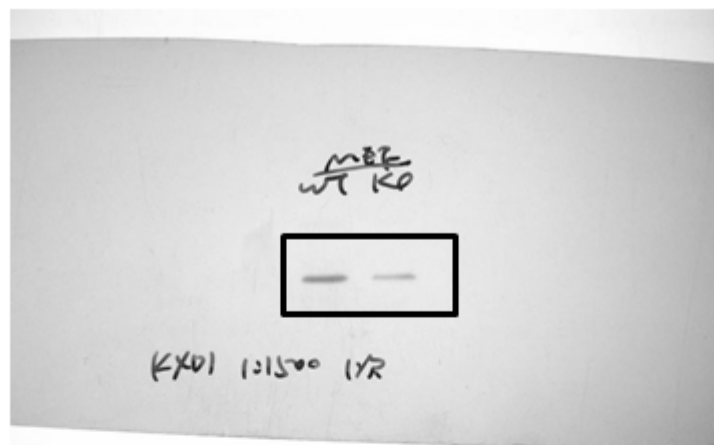

The black box shows the bands of Dysbindin.

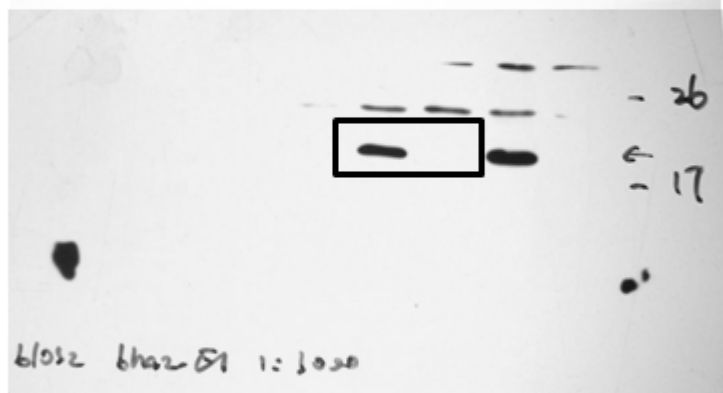

The black box shows the bands of BLOS1.

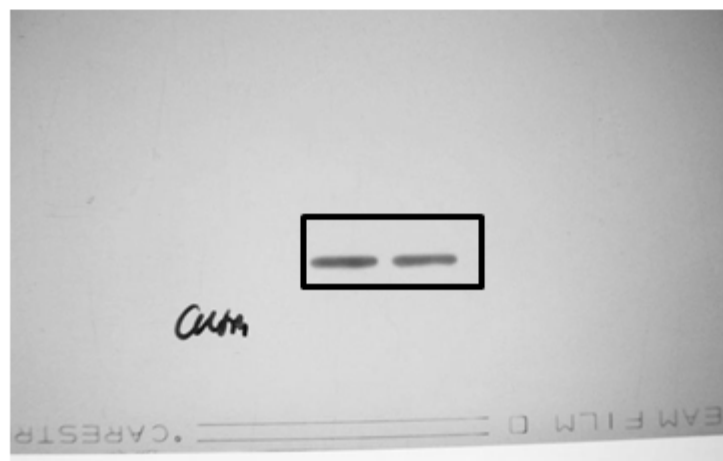

Figure 8-figure supplement 1A-source data 2

The black box shows the bands of KXD1.

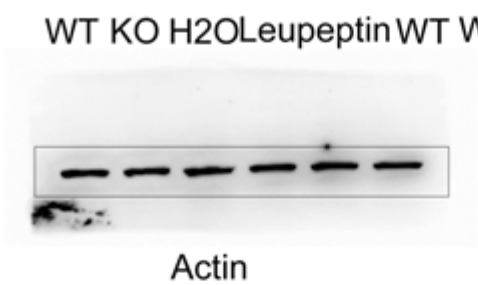

The black box shows the bands of BLOS2.

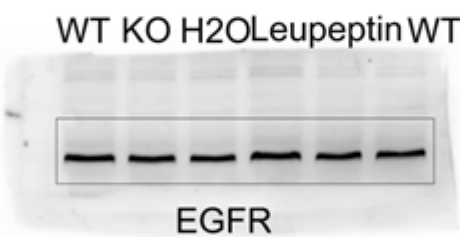

The black box shows the bands of β -actin.

Figure 8-figure supplement 2B-source data 1

The black box shows the bands of Actin.

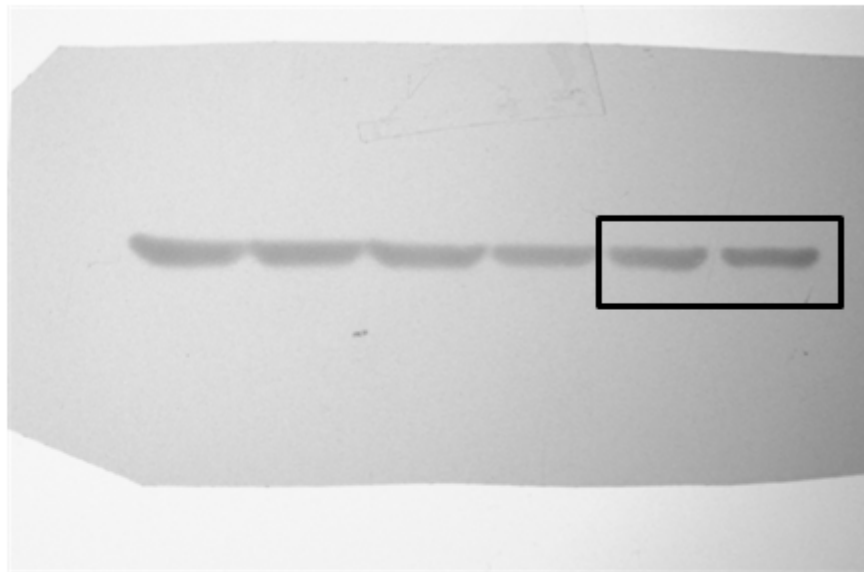

The black box shows the bands of EGFR.

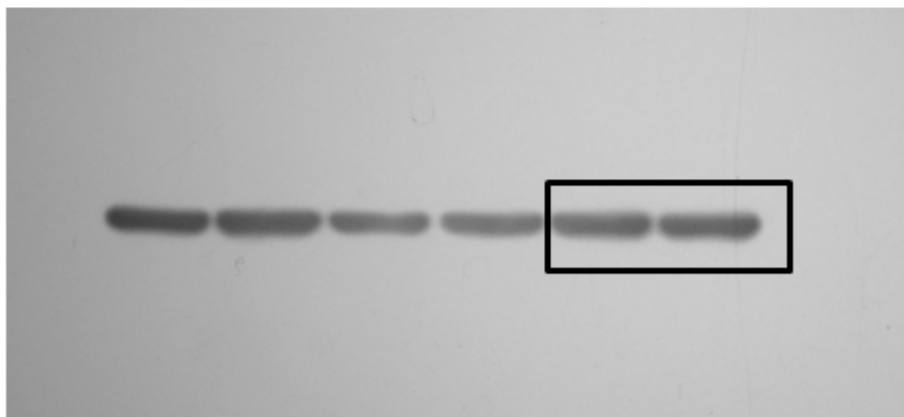

The black box shows the bands of Flag.

Figure 8-figure supplement 2D-source data 1

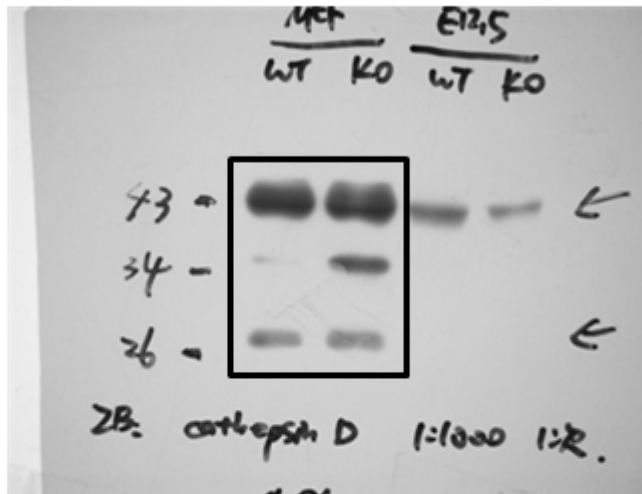

The black box shows the bands of EGFR.

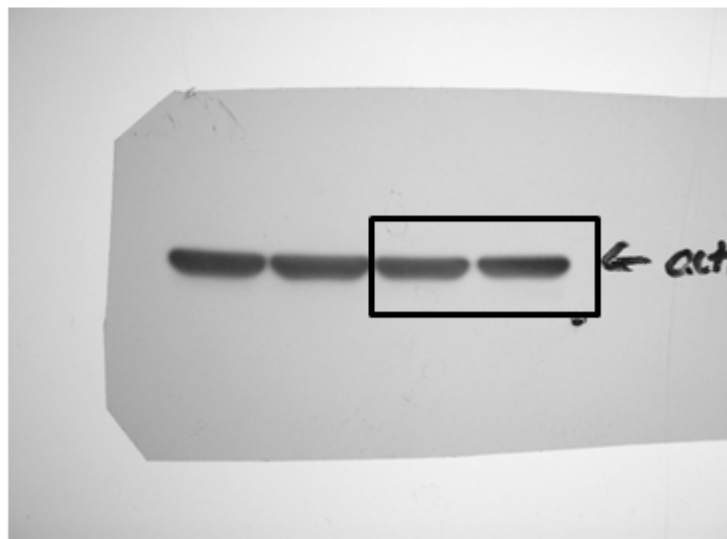

The black box shows the bands of β -actin.

Figure 8-figure supplement 2F-source data 1

The black box shows the bands of Cathepsin D.

The black box shows the bands of β -actin.
