

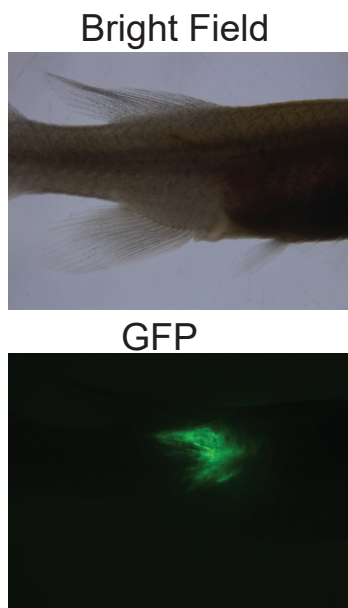

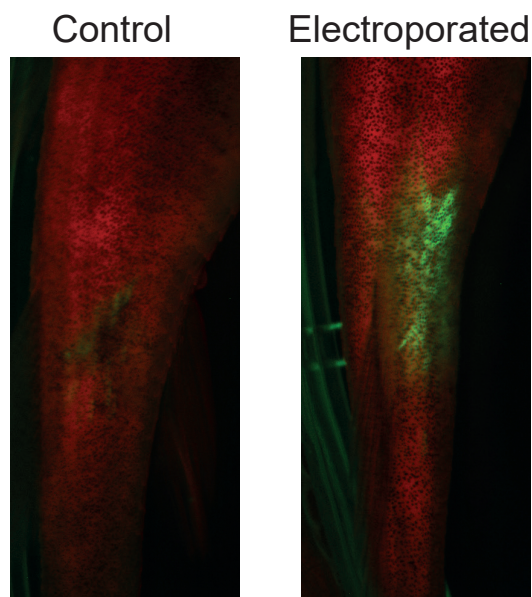

### Figure 3 - Source Data 1

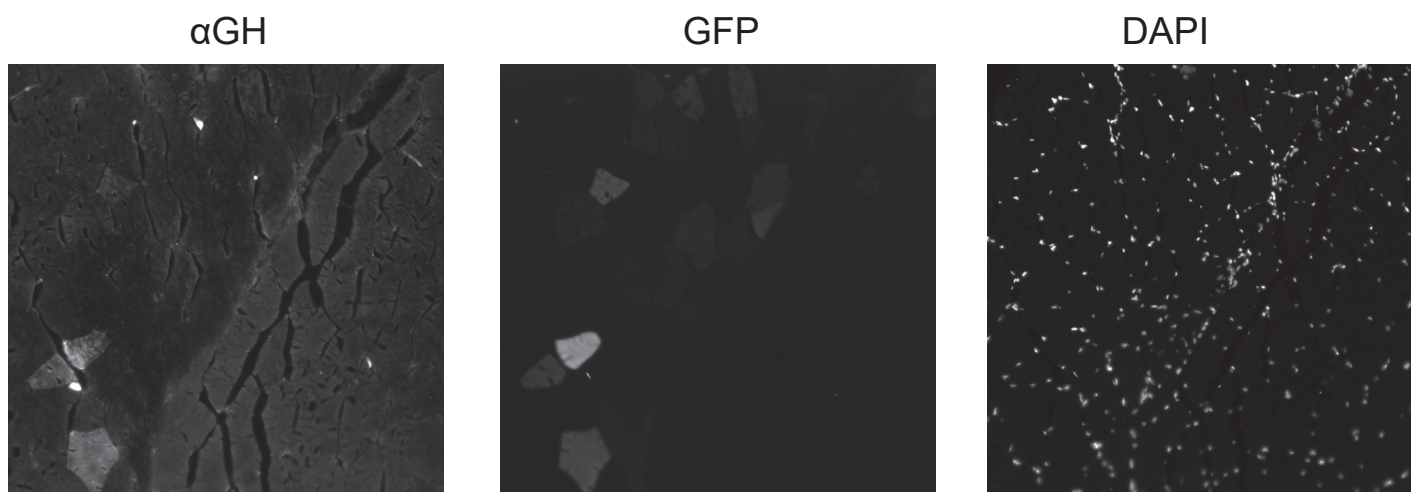

**A.** Fish injected with a *CMV:GFP* plasmid

**B.** Fluorescent images of electroporated and non-electroporated injected fish

**C.** Fluorescent images of immunostaining for GH in muscle fibers of WT fish injected with a *CMV:gh1-T2A-GFP* plasmid with anti-GH antibody

**D.** Fluorescent images of immunostaining for GH in muscle fibers of WT fish injected with a *CMV:gh1-T2A-GFP* plasmid with no primary antibody
