

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel F. Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

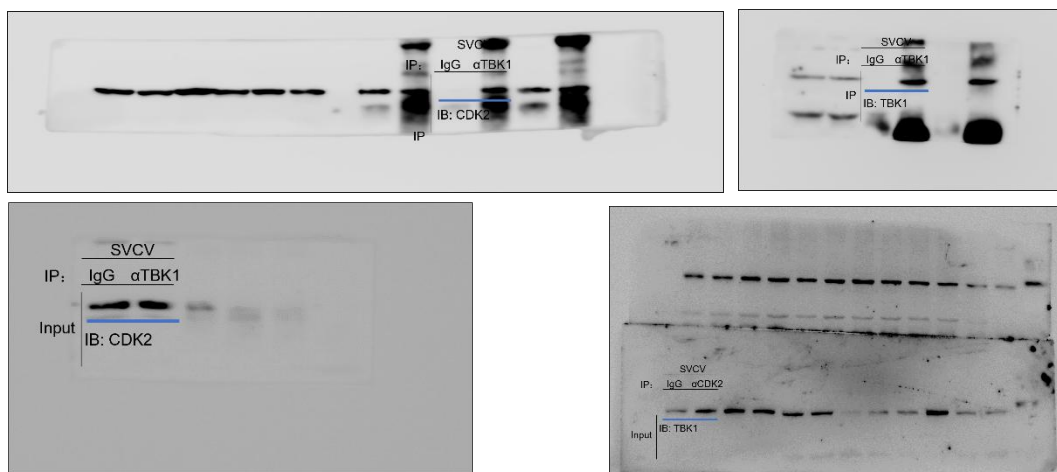

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel G (IP: TBK1). Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

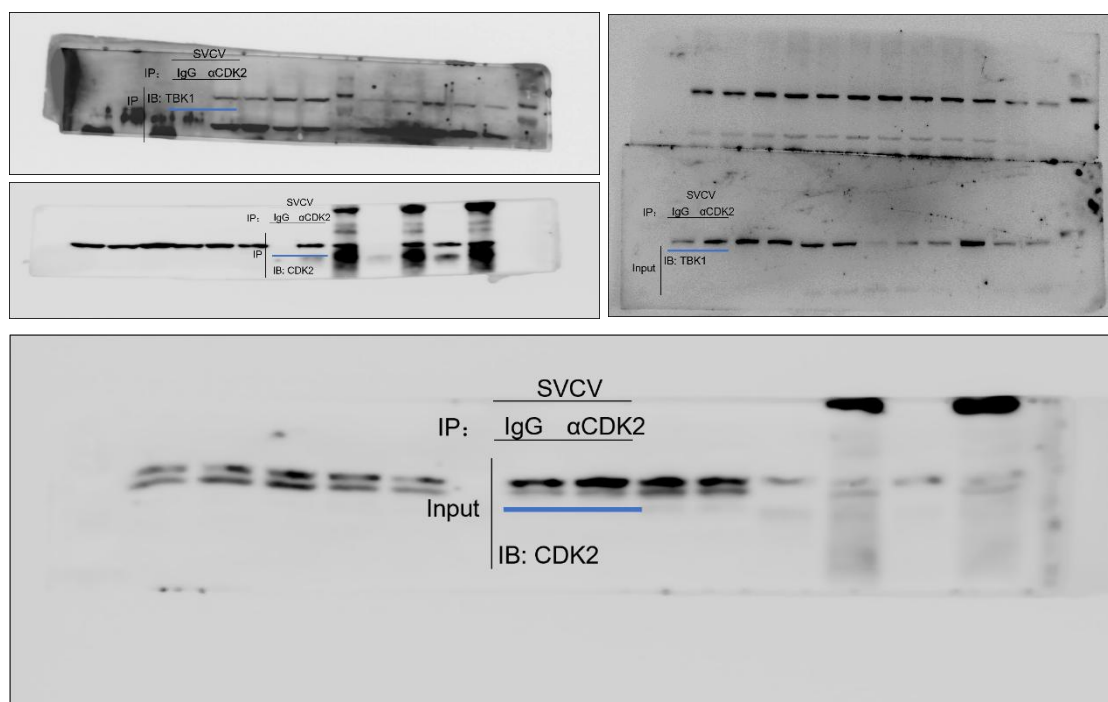

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel G (IP: CDK2). Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

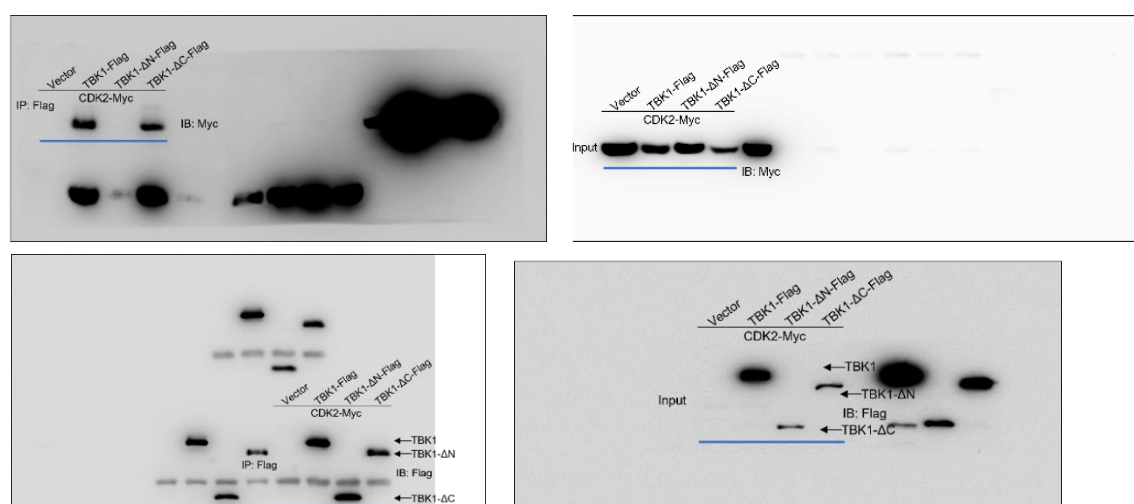

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel I. Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

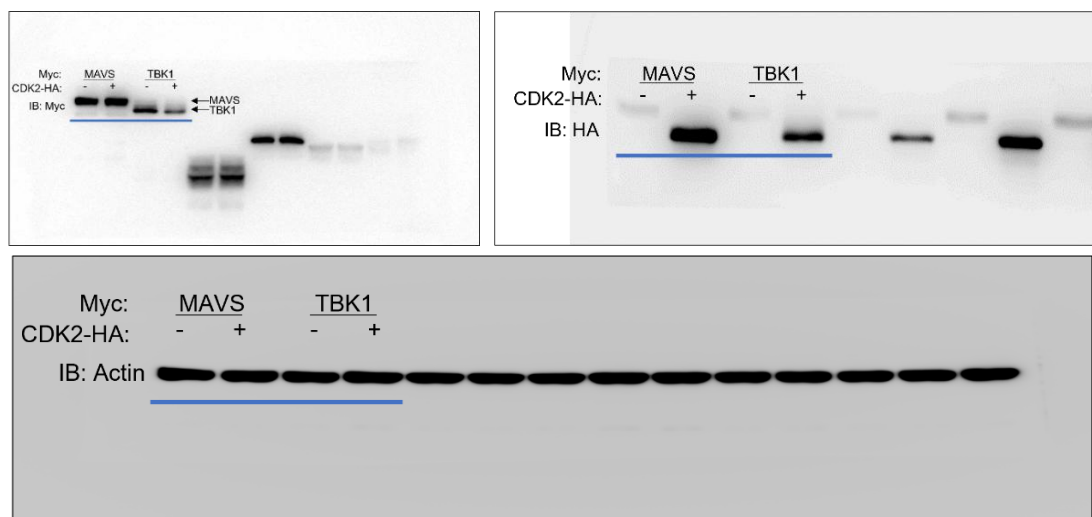

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel J. Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

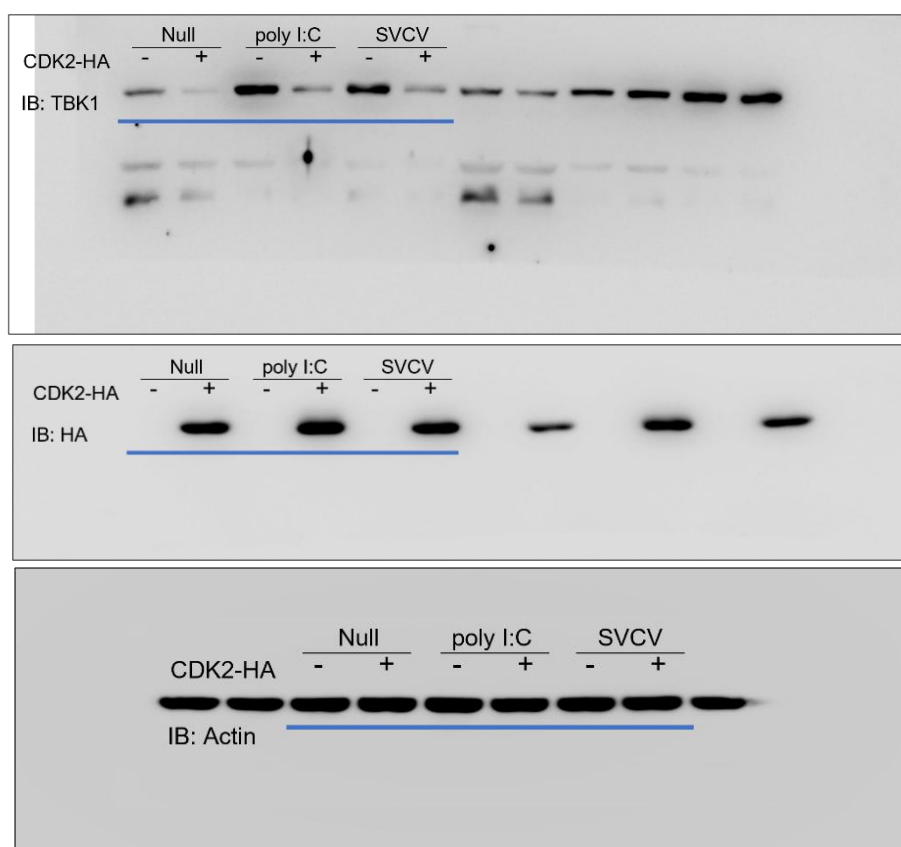

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel K. Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

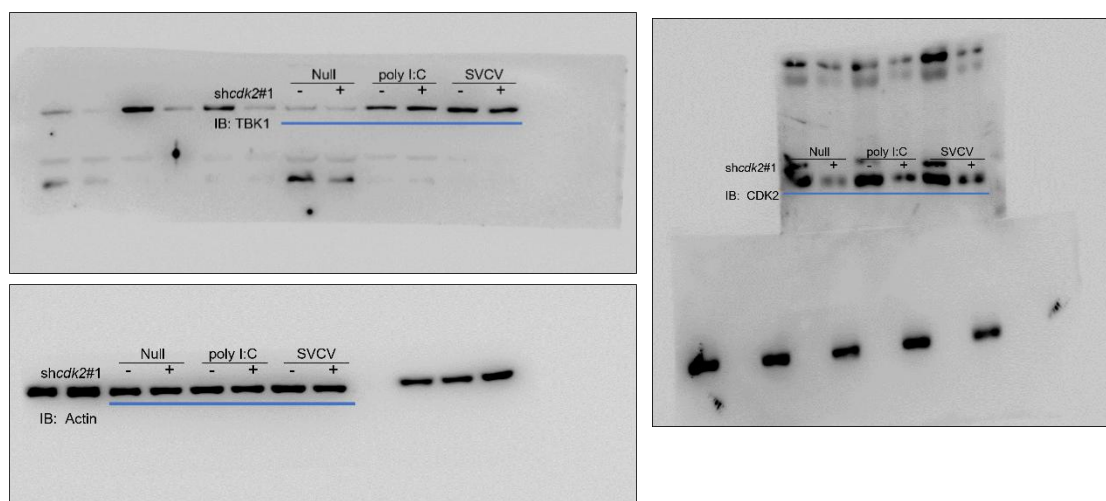

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel L. Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

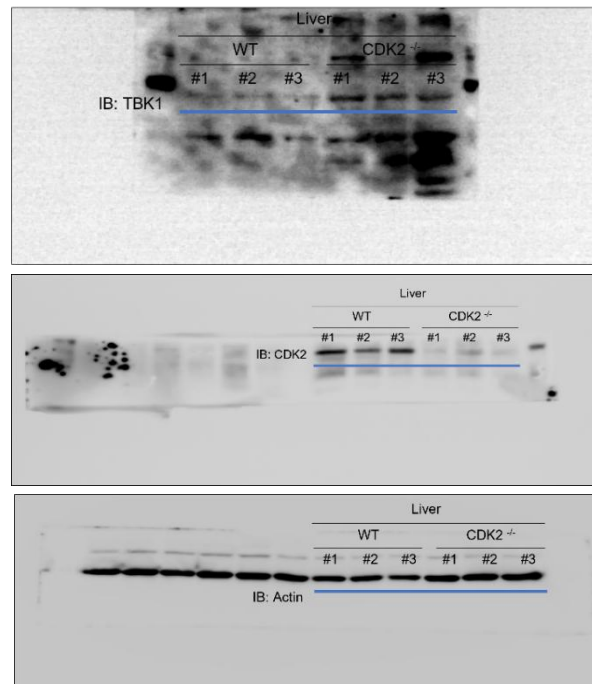

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel M (Liver). Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

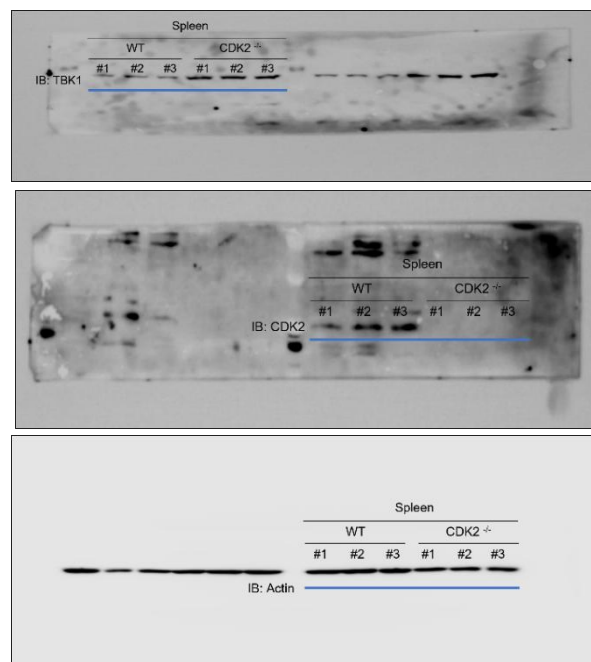

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel M (Spleen). Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

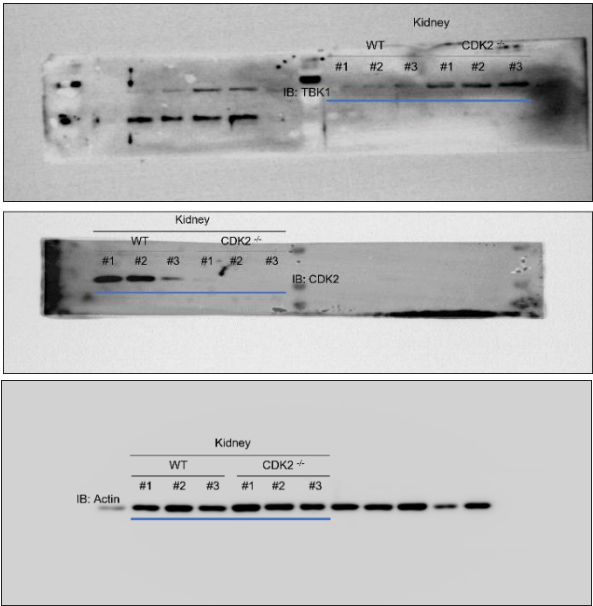

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel M (Kidney). Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.

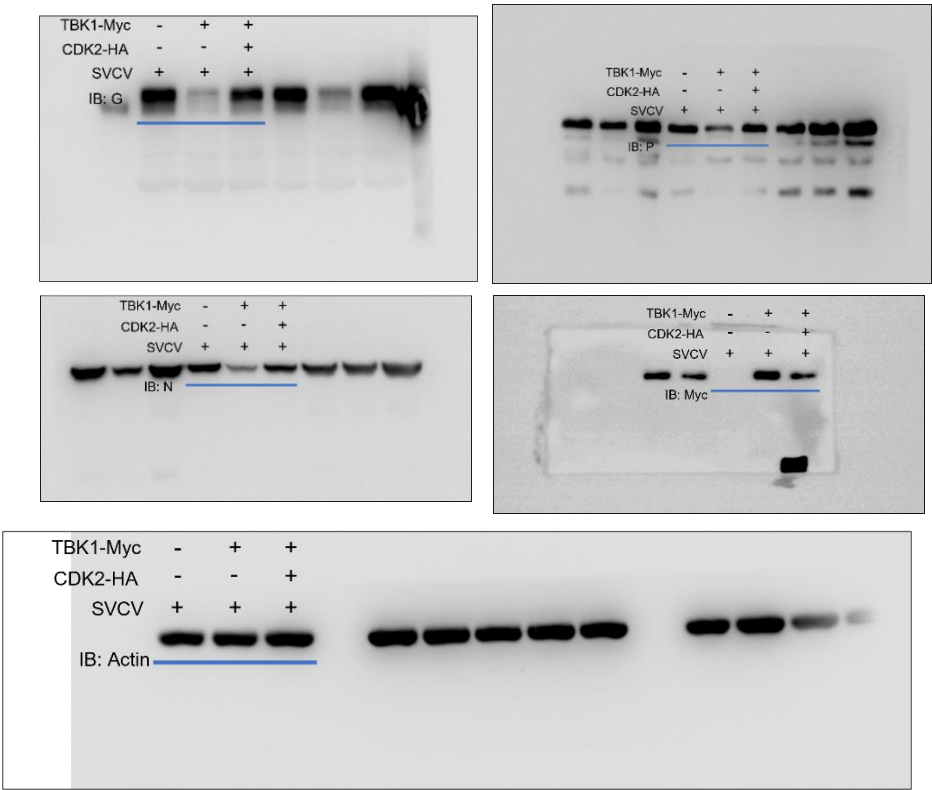

Figure 4, Source Data 1. Original membranes corresponding to Figure 4, panel P. Each membrane is labelled with the relevant information. The blue lines indicate the corresponding bands.
